WRITING

March the 11th. Friday. For most people it's the beginning of a weekend. Some of them celebrate it in pubs, others watch movies. Everybody is glad to meet this weekend. But some people have a greater event to celebrate: a successful ending of a charity project "Let Children Study". This event has been held in our city and today I'll tell you about it.

The idea of this project was to raise money for building schools in poor villages. In the attached photo you can see a group of teenagers gathering donations. Some people give money, others - food. Lots of people become volunteers. Everybody tries to help. And it gives me hope that not everybody is indifferent to such problems.

By the end of this event volunteers had gathered enough money that will be spent on schools in poor villages. Just imagine, how many opportunities children will be given: after finishing school they will find a proper job. Our country will get more smart hardworking people which are so important for our society.

I've asked several citizens what they think about it. Some people agree with me others think it may lead to unemployment. But they all say that the level of life in villages will increase and mention how kind and brave the teenagers were.

In conclusion I want to say that even in the darkest times we mustn't lose hope. All we need is to act, and this charity event has just proved it.

March the 11th. Friday. For most people it is the beginning¹¹ of the^a weekend. Some of them celebrate it by drinking in pub²⁸ with their friends, others watch movies or go to the^a restaurant. Children and teenagers have fun both indoors or⁴² outdoors. Everybody is glad to meet this weekend and have some free time. Everybody ~~helped how they could~~ ^{tried to help} Lots of people became
 volunteers. ↓ ^{tried} Look at these people on the picture.

They are happy. Happy to help children from poor
 villages. And it gives me hope that not everybody is
 indifferent to such problems. ¹⁷⁴

By the end of this event volunteers had gathered
~~thousands of dollars~~ ^{enough money} that will be spent on schools
 in poor villages, and, maybe, in a few years children ²⁰²
 will be able to attend such schools. Just imagine, how
 many opportunities ^{children} they will be given; after finishing

 attend ~~University~~ ^{college} or college. Our country will
 get more smart hardworking people, which are very im-
 portant for our society. ²⁴⁹

I've asked several citizens what they think about
 it. Some ~~of them~~ ^{people} agree with ~~my~~ ^{one} point of view,
 others think that it may lead to unemployment. But
~~more of them~~ ^{they all say that} can deny that the level of life in villages
 will increase and they all mention how kind, ^{possess} smart and brave

The teenagers were.

In conclusion I'd ~~like to~~ ^{want to} say that even in the darkest times we mustn't lose hope. ~~At~~ ^{this} charity event has just proved it. All we ~~have to do is~~ ^{need} to act, and
