Task 2.

I would like to talk about an interesting direction in literature which is currently enjoying wide popularity in the USA, Japan and other countries. My text is based on information from encyclopedias and Wikipedia. My story is dedicated to graphic and virtual novels. The term "graphic novel" was coined by R. Kyle in ~~his~~ his essay. The author named it a comic book based on the video game Capa - Alpha. Soon this term was used in other similar works and in 2001 began to be

used in the ^{creative} book industry. 2 cp.

AV VN is a video ~~game genre~~ ^{game genre} that includes text and visual content. Video materials, anime images are used. AV Visual novels are common in Japan. Such ~~part~~ genres are very popular at the present time. I believe that I believe that such novels can't be considered a kind of literary genre since such a work is essentially a video game. Task 3.

I woke up in the morning and found myself in an unfamiliar place with only dinosaurs all around. I was shocked. I said, "All dinosaurs became extinct 66 million years ago. Where am I right now?" I looked around the area where I was. There were a lot of giant trees there. Also there were a lot of dinosaurs.

near the trees in this area.

Suddenly I heard a noise and I turned my head back. I saw a man. He was tall and handsome. He was wearing a black suit and white trousers. Also he had a grey dot on his head. I asked him, "Who are you? What's your name?"

He answered, "My name is John. I am a time traveller. Do you want to go back home?"

I said, "Yes, I do. I'm afraid of dinosaurs."

John said, "Ok. But if you want to go back home, you must answer my question."

I said, "Yes."

John thought and asked, "Why do you want to go back home?"

I immediately answered, "I want to go back home because I need to talk with my wife and to play with my children. They will be bored if I don't go back home."

~~Sudd~~ John said, "I like your answer. You will go back home."

Suddenly I fell asleep. After a while, I got up at home. It was the strangest day of my life! I will never forget it.
