Dear future self,
 I hope that this letter finds you¹⁰ well and healthy, as health is the most valuable treasure²⁰ these days!

Although I am looking forward to studying at³⁰ the university, anxiety about being unable to stay fit is⁴⁰ not leaving me. I think you remember that keeping myself⁵⁰ in good shape has always been very important for me⁶⁰. Thus, please

~~tell me~~ I am hopeful that you were able to spare²⁰
 some time for sport, and swimming exactly. Have you
 achieved¹⁰ anything? Or have you taken up some other
 kind of³⁰ sport? Undoubtedly, the biggest achievement
 would be staying in good¹⁰⁰ spirits. Mental health is as
 important as overall fitness. Was¹⁰ it challenging to deal
 with stressful events such as exams? Have you ever
 had to seek medical help? I'd like¹³⁰ you to remem-
 ber, that there is nothing to be ashamed of! By
 the way, I also hope that you are careful and
 mindful of what you eat. Instant noodles will¹⁶⁰
 harm your stomach, and an apple a day keeps a¹⁷⁰
 doctor away.

In any case, I am really grateful that you are
 not giving up on this long journey, and¹⁹⁰ care
 about yourself deeply. I may be worrying now,
 but²⁰⁰ I am certain²¹⁰ that you ~~will~~ would never
 strain yourself. It is not an easy task ~~to~~
 combine staying fit and²²⁰ studying. Be sure, if
 you can do something like that, there is almost
 nothing that can stop you!

- Unfortunately, it²⁴⁰ is impossible to express all my
 thoughts in a short²⁵⁰ letter. I hope that you
 will care about yourself throughout your whole
 life. Undoubtedly, I will also do my best.

With lots of love,
 your past self
