Task 4.

This fairy tale will teach you why you should never give up trying to help your loved ones.

Once upon a time, there was a beautiful woman who lived with her husband. She was a famous model and had thousands of fans online. Beauty and her husband Dave had a lot of money and lived happily. There was also an ugly witch who used magic an video filters to look pretty. She had less popularity than beauty and was very jealous.

## Чумовик 2

One day, the witch decided to get rid of Beauty. She slightly weakened her magic to look like an old lady and ~~purposely~~ tripped over a rock on purpose. Beauty saw it, and helped the witch stand up. The old lady was thankful and gave her a poisonous apple. As planned, Beauty ate it and fell on the ground. The witch grabbed her and drove away on her car. Dave exited the house and saw his wife get abducted, but it was too late. He hopped into his ~~car~~ car and went to the witch's mansion, where Beauty was brought. Even though it had no security and he had no problem finding Beauty, she was asleep and Dave couldn't wake her up, no matter what he tried. Dave knew that the witch would return soon and finish Beauty, so he was about to give up.

Dave thought it was his final time seeing his wife, so he gave her a true love kiss and already wanted to leave. Suddenly, witch's magic stopped working. Beauty woke up, and the witch turned back into an ~~old~~ ugly old lady right during a photosession. After her fans found out the truth, she felt disgraced so much that she locked herself in her mansion and was never seen outside again. The news quickly spread and made Dave and Beauty famous around the whole town. They lived happily ever after.
