Task 4 The main holiday of Spring!

You know that there are many holidays & festivals in spring. But do you know which is the main one for Russians? Of course it is Shrove tide! |

ТБЗ: 95

Миссочкам

Shrovetide is essential for Russian people for many reasons. For instance, it provides opportunities to explore Russian culture, to connect with other people & to have a great time! Shrovetide also has effect on other countries & people. It lets the other part of the world know about Russian culture & ~~learn it~~. traditional lifestyle.

As for me, Shrovetide is the best festival I've ever visited & have heard about. I particularly enjoy this festival because of its vivacious atmosphere. The colourful costumes, folk festivals, mouthwatering dishes: all of this makes me feel happy & thrilled. I have visited Shrovetide only once, when I was about two or three years old, but I still remember this precious moment. My family & I were walking in the park when we came across our friend. He told us about festival that took place ~~here~~ in the park. Then we went there. I saw a bear playing the balalaika, crapes with sour cream, people in traditional costumes & more when we came to the festival. I was really shocked by the amount of entertainment & the atmosphere. It was an exhilarating experience & I will keep it in my mind for the rest of my life.

To conclude, I'd like to say that Shrovetide is an indispensable part of Russian

folklore & culture & it is really *очень*  
 important to tell everyone about it. I strongly  
 believe that every person should visit this  
 festival at least once *in their life*. Have you  
 visited it? If you said no, what are you  
 waiting for? Go ahead & enjoy it!
