Task 4.

Beauty and the Beast

Once upon a time, somewhere on the giant web that is the internet, there was a hellish digital place called "Twitter", on which many horrible stories occurred. Today's story is sadly one of them, but it may serve as a great ~~moral~~ lesson.

One day a self-proclaimed beautiful girl decided to join Twitter, even though her age didn't surpass the eighteen years mark. She carelessly wandered around it Twitter, as well as following every celebrity she could find ~~and~~ posting every piece of ~~her~~ personal information. Then, suddenly, she caught ^{her} attention of a famous user, whose ~~username~~ was "RobloxBeast2008". He texted the young Beauty and she texted back. Their relationship grew stronger every day and at one point it was as if there weren't ~~not~~ ~~any~~ many thousands of kilometers between them. The only problem was that the girl's ^{age} was merely fourteen years ~~old~~ while the Beast's ~~one~~ was double that. It didn't concern them though, as they continued dating on the

Уммовуку

internet. Finally, after many months of texts and posts, the Beast asked the Beauty to come over and she agreed. The girl disappeared without a trace.

Perhaps the Beauty's happier with the Beast than with her parents? No, not at all. The moral is simple, don't talk to strangers on the ~~in~~ ^{dirty} ~~strange~~ place that is the internet.

$$k_1 = 21$$

$$k_2 = 15$$

$$k_3 = 70$$

$$k_4 = 90$$

$$k_5 = 10$$

66

$$05: 10 + 10 + 7 + 66$$
