Прошу пересмотреть выставленные ^{апелляция} тестовые баллы (44 балла) за мою работу заключительного этапа по предмету "Английский язык"

(8 класс), поскольку считаю, что мне не засчитали тестовую часть по моей вине. На площадке проведения олимпиады в г. Новосибирске произошла следующая ситуация. Перед тем, как приступить к описанию олимпиады, у меня возникло сомнение по поводу заполнения бланков ответов (в бланках не было номеров заданий, а письменную инструкцию я плохо поняла). Я решила прервать ситуацию и поговорила с одним из организаторов (малого мальчика). На мой вопрос по поводу заполнения бланков в бланк организатор ответил мне, что не нужно переносить в бланк ответов тестовую часть. Я засомневалась, не перепросила, но меня окончательно убедили, что переносить в бланк ответов необходимо только творческое задание. В итоге, при проверке работы мне не засчитали тестовую часть. Прошу пересмотреть мою работу и засчитать ответы тестовой части из черновика листа заданий, так как я не внесла их в бланк ответов не по своей невнимательности, а потому что мне так сказали организаторы.

Task №4

Meet and Greet in the countryside

*Исправлено по 445 листу алфеев

On a nice day in the countryside, everything felt calm. It was a normal family gathering in July. We were preparing a meal. My aunts were cutting vegetables. My uncles and cousins were grilling steaks. My sisters and I were baking desserts. When the food was ready, we sat down to enjoy the scrumptious meal.

Suddenly, a loud noise surprised everyone. An old lady popped a balloon and screamed, "Hey guys, let's go to Mrs Michaelson's backyard, something's going on there!" It seemed suspicious to us, however, my Mum suggested to check it out, so we headed down there.

It took us about 15 minutes to get there. Mrs Michaelson's backyard was fully decorated. A crowd was fussing and shouting. My family and I stepped in and tried to find Mrs Michaelson. We didn't manage to do that, so I asked a random girl what was happening. "Some star is coming here and all of us are waiting for them," she answered. We didn't understand a single word. ~~back then~~ Then the crowd started cheering. We looked at them and saw Ariana Grande, a well-known singer. She told us that Mrs Michaelson was her grandmother's sister and that she decided to visit her. Ariana took photos with each of us and left.

I'd never thought something so interesting would happen to me. Who knew a usual family gathering could end up meeting a world-famous celebrity?

Задание 1 – 20 баллов.

Fill in each of the gaps 1-20 with one of the words below. There is one extra word.

My Day of Making Friends

Last weekend, I dedicated the day to 1 ^{making} new friends. The morning started with a visit to a local park 2 ^{hosting} a community event. As I walked around, I noticed people 3 ^{chatting} about a photography exhibition. Intrigued, I joined in. We had an amazing conversation and 4 ^{exchanged} contact information for future meetups.

Later, I 5 ^{attended} a language exchange meetup with a vibrant atmosphere. I was shy and felt a 6 ^{bit} awkward, but a girl walked 7 ^{up} to me and asked if I wanted to be her study 8 ^{buddy}. We planned language study sessions for the 9 ^{upcoming} weeks. It turned 10 ^{out} that she had been nervous as 11 ^{well}, even 12 ^{though} she seemed to be perfectly confident to me.

As I was walking home, 13 ^{pretty} sure that I would not 14 ^{encounter} any new people, a stranger asked to show him the 15 ^{way} to the nearest bust stop. I helped him out and walked him to the bus stop, making 16 ^{sure} he got on the right 17 ^{one}. The man was so happy 18 ^{that} it made my day. I realised that the more interactions I had, 19 ^{the} easier it got.

When I got home, I checked my phone and was surprised to see a lot of messages from my new acquaintances. It could take a 20 ^{while} for us to actually become friends, but I was so pleased with myself for making this first step. It reminded me of the importance of the real-life connections in our increasingly technology-oriented world.
