Чистовик4. ~~Gob~~

1. Goblin mode — a state during which a person ^{practically} chooses to reject social norms, indulging in hedonistic activities and embracing one's chaotic nature to its fullest.

2. De-influencing — an act of encouraging one's subscribers not to mindlessly follow online trends and to enable critical thinking

3. Permacrisis — an exhausting feeling of immense doom and a simultaneous destruction of every aspect of one's life.

4. Phygital — a characteristic which suggest a lack of a clear boundary between ~~one's~~ the reality and one's online presence.

5. Parasocial — a characteristic of an ~~intense~~ intense, intimate bond with a ^{certain} stranger, often an online mate or a celebrity.

75-5: 10

Загауе 6.

Innovative Tea

Introduction

Would you rather drink a cup of ~~extre~~ extremely sugary coffee which may give you both diabetes and a spike of dopamine, or some ~~bit~~ sad and bitter but healthy and nutritious medicine? If you can't fathom making ^{such} a choice, fear not, as "Cuppa" is a company eager to provide a delicate mix of both of the options.

Cuppa's Purpose

~~"Cuppa" is to~~

"Cuppa" tea is an innovative product that combines tangy ^{and delicious} flavours of all ^{of} your favourite drinks with immense health benefits. This innovation is aimed at health-conscious

individuals who care for their bodies, but ~~they~~ refuse to sacrifice the taste of their beverages.

"Cuppa" can help strengthen your immune system and heal your gut, while still tasting like a dessert and this makes it truly unique and original. We strive to raise a healthier generation of people by providing a product which makes healthcare both accessible and ~~immensely~~ delicious. "Cuppa" is here to ~~fight~~ help our society fight fatal illnesses, decrease obesity rates and raise a healthier generation of people by providing a product which makes ~~your health~~ caring for your health both accessible and delicious.

~~Scale and Advertising~~

People all over the world struggle to maintain their health, hence it's crucial for "Cuppa" to be launched globally. Everyone deserves to be in a good state both physically and mentally and we're here to ensure it.

Advertising

~~"Cuppa" is~~ In order to make "Cuppa" marketable, we are to promote the product through social media platforms, collaborating with various celebrities and influencers to attract young people. The packaging of ~~the~~ our tea ought to be colourful and vibrant, extremely eye-catching as well.

Conclusion

~~At the end~~ To dot the i's and cross the t's, "Cuppa" is an extremely useful business.

All in all, "Cuppa" is a company which strives to make a difference. ~~Low~~ Launching it means making a tremendous

step towards a better, healthier Чистовик
 future. ~~A Cuppa~~ A CUPPA A DAY KEEPS
 THE DOCTOR AWAY!!! — a slogan that
 might change our lives forever. ~~one~~
 one day. T5-6 : 40

$$05: 19 + 6 + 10 + 6 + 10 + 40 = 91$$
