Загадка 4:

On a nice day in the countryside, everything felt calm. The sun was shining brightly, some birds were peacefully singing their precious songs and the sky was amazingly clear. Me and my parents were resting in our countryside near the forest. Mrs. Smith, my mum, was gardening. Mr. Smith, my dad, was repairing a bike. And I was casually playing in the garden.

Suddenly, a loud noise surprised everyone. It was a sound from the forest, so I ran straight to it. My mum called my dad, and they ran to the forest together. Then I saw my parents and stopped running. Surprisingly, trees and bushes started to shake. Lots of different animals came from the forest. There were many hares and squirrels, who started to dance together. I was truly amazed by their appearance. But it wasn't the last surprise. All of a sudden, lots of cute hedgehogs walked from the bushes and started to sing. It looked really wonderful from people's sight! After a little concert the animals wanted to talk with us. One of the hares even gave me some cranberries. Animals went back to the forest soon. Me and my parents were literally lost of

I'd never thought something so interesting would happen to me. It was truly stunning! I tried to tell this story to my friends, but they didn't believe it.
