Task 4 / Задача 4

On a nice day in the countryside, everything felt calm. Liam and I were cruising in an open-top Mercedes-Benz, on the way to visit ~~my~~ ~~Mark~~ Mark. By the time we got there, Mark had already prepared some popcorn for our overnight movie marathon. We sat down on Mark's sofa, ~~Liam~~ and Liam grabbed the television remote.

We were already halfway through ~~our~~ the first movie. Suddenly, a loud noise surprised everyone. And that sound most definitely didn't come from the TV's surround sound speaker system. Liam got up and pivoted in search of the source. It happened again. It was something between a jingle and a percussion instrument. The radiant beams of sunlight flowing into the room began to fade. Mark's squeaky front door started opening. It seemed as if we were ~~about~~ about to fight some intruders. Two dark human ~~with~~ silhouettes appeared in the doorway. The longer we stared at them, the more they started to resemble Jacob and ~~Elijah~~ Arthur, Mark's friends.

Task 4 | Part 2 / Задача 4 / Часть 2

"Happy birthday birthday, Mark!", ~~he~~ shouted
 the two ~~oddy~~ oddly familiar trespassers.
 Laughter and joy filled the room
 momentarily. Arthur brought out a cake
 from his car and put it in the dining
 room, where we ~~all headed~~ were all headed.

We all got a slice of cake, sang some
 songs and finished watching our
 movie. In my opinion, after all that
 stress we should've gotten at least
 three slices! This was definitely a shocking
~~experience~~ experience. I'd never thought
 something so interesting would happen to
 me. But at least it ended with cake.
